

MDSCare Update 10

Please read this carefully for information and instructions!

We have published a new MDSCare update on the website. It is IMPERATIVE that you download and install this update ASAP.

THIS UPDATE IS VERY IMPORTANT! IT CONTAINS THE NEW CMI SET EFFECTIVE 10/01/2009 THAT IS USED TO CALCULATE YOUR RUGS. Please check your Final Validation Report after transmitting **carefully** to be sure that the RUG calculated in the resident record matches the RUG calculated by the State!!!! If there is no message, the RUG is correct. If you have any warning messages related to RUG calculation, please contact Technical Support IMMEDIATELY! 618-654-4500 or 573-346-6076

IMPORTANT!

AS WITH ANY UPDATE, WE STRONGLY RECOMMEND THAT YOU BACK UP YOUR DATA BEFORE PROCEEDING. Also, be sure that EVERYONE is out of MDSCare on your network before installing this update.

To access this update, click on the link below. This will take you to the download page of our website. Once you are there, click on the MDSCare download button and you can either run it from the web page or save it to your computer and then run it from the location you saved it to on your computer. Be CERTAIN to load the update into the folder that currently contains your MDSCare programs and data. To verify this, right click on your MDSCare icon on your desktop, then click Properties. The START IN: field is the one that contains the actual path to your MDSCare programs. You may have to change the default location during the installation to match what is in your START IN field.

The password for this update is **mdsc10**
